Interactive Contents Calculator

Our guide on how to use it

It's easy to underestimate the total value of your home's contents.

This interactive contents calculator will help you identify and estimate the value of the possessions within each room of your property.

The list below will help you review which items fall into which category. This list is not exhaustive but will provide a bit more guidance to help you use the calculator effectively.

The items below and throughout the calculator correspond to areas of cover and inner limits within our policy.

Item	Helpful Tips
Furniture	Sofas, chairs, tables, display cabinets, bookcases
Carpets / Curtains / Soft Furnishings	Cushions, tapestries, antique textiles, rugs

Interactive Contents Calculator

Your contents table

This interactive calculator can be used on a tablet, desktop or even printed off and completed with a good old fashioned pen.

To help you estimate the replacement value of the contents within your home, simply walk from room to room and total up your belongings.*

If you are using this electronically, click in each relevant box adding the monetary amount required. Once complete, click in the box at the end and your grand total will be displayed.

If completion of this exercise highlights a need to review your contents sum insured, please contact us on **01823 250 700**.

GRAND TOTAL €

Here's a quick list of the things that are most likely to be under-insured. Therefore it is worth being extra careful when valuing these items:-

- 1. Clothing and personal effects, including designer clothing, accessories and golf clubs
- 2. Antiques
- 3. Curtains, carpets and soft furnishings
- 4. Collections, including wines and stamps
- 5. Glassware and ceramics
- 6. Works of art
- 7. Light fittings, including chandeliers
- 8. Inherited items, including furniture and pictures
- 9. Christmas decorations
- 10. Pictures and picture frames (sometimes worth more than the pictures themselves)
